EARLY RELEASE FROM SCHOOL FORM

This form is to be filled out by all parents of children in the Plainville Public Schools. This will help alleviate any anxiety felt by the students about what will be expected of them in the event of an early, unexpected release from school. As you know, weather and power outages sometimes cause problems which could necessitate our dismissing school early. It is important that you have a plan in place just in case of an early school dismissal. Your child's classroom teacher will keep this completed form so that he/she is aware of the plan that you have made for your child. We will also have a copy of this plan on file in the main office. Please make sure that your child is aware of this plan. Thank you for your cooperation.
