VOLUNTEER TODAY!

Summer Lunch Program

Join the Hockomock Area YMCA and the communities of Milford, Bellingham and Plainville as we provide lunches for youth and families who rely on school food through a summer lunch program.

The program not only supports those who may be facing food insecurity, but also provides enrichment and social opportunities.

Important information

- Volunteers are needed for two-hour shifts weekdays during summer vacation.
- All ages are welcome to help (under 15 with an adult)
- Great way to interact with families and the community

If interested, fill out form below to inquire and attend volunteer training on Thursday, June 19, 2025 at 6:30pm at our Franklin Y.
