SCHOOL WEB PUBLISHING PERMISSION FORM

The Plainville Public School website is a central point of location and resource for the public to view and obtain a variety of information about the School District and a means of communication between the School District and the Community Members. From time to time, we will include photographs of students, teachers, school activities, events and students' projects on the website. To publish students' photographs and projects, we will require parents/guardians to fill out the permission form below.

In order to ensure the safety and privacy of your child, the Web Publishing Policy is in place. At no time shall your child's personal information such as home address or phone number appear on the Internet. No name will be associated with child's photograph or class project for web publishing.
