A. For the purpose of collective bargaining with respect to wages, hours, rates of pay, and other working conditions of employment, and the negotiation of collective bargaining agreements and any questions arising thereunder, the Committee recognizes the Association, as the exclusive bargaining agent and representative of a bargaining unit consisting of all full-time and part-time Plainville Education Association Paraprofessionals, Tutors and Specialized/Licensed Assistants employed by the Plainville School Committee. Nothing in this Agreement shall limit the Plainville School Committee and the Superintendent in the exercise of its functions of management and in the direction and supervision of the School Department. This includes, but is not limited to, the right to: add or eliminate departments; require and assign overtime; increase or decrease the number of jobs; change process; assign work and work to be performed; schedule shifts and hours to work and lunch or break periods; hire; suspend; demote, discipline, or discharge; transfer or promote; layoff because of lack of work or other legitimate reasons; establish rules, regulations, job descriptions, policies and procedures; conduct orderly operations; establish new jobs; abolish and change existing jobs; determine where, when, how and by whom work will be done; to discontinue processes or operations or to discontinue their performance by employees; determine standards of proficiency, except where any such rights are specifically modified or abridged by terms of this Agreement.

Unless an express, specific provision of this Agreement clearly provides otherwise, the School Committee, acting through its Superintendents and Principals or other appropriate officials strictly adhering to the chain of command as may be authorized to act on their behalf,

retains all the rights and prerogatives it had prior to the signing of this Agreement either by law, custom, practice, usage or precedent to manage and control the School Department.

D. Substituting

1. Under ordinary circumstances, no Paraprofessional shall be called upon to substitute for a classroom teacher for a full day. In the event the substitute services of a Paraprofessional is required for a full day, that Paraprofessional shall receive fifty (\$50.00) dollars over and above their regular day's salary for such service. In addition should it become necessary for a paraprofessional to serve as a substitute for less than a full day, that paraprofessional shall receive twenty five (\$25.00) dollars over and above their regular day's salary for providing coverage of at least two (2) hours but no more than four (4) hours.

2. a. The employer recognizes that when a teacher is absent, the paraprofessional assigned to that classroom might be the best substitute. In recognition of that, the employer and the union seek to establish a system that utilizes paraprofessionals as full day substitutes when a teacher is absent. This is a voluntary system so no paraprofessional will be forced to be a substitute for a teacher if he or she does not desire to do so. The employer agrees to provide a substitute paraprofessional if the regular paraprofessional is substituting for the teacher. At the beginning of each school year the employer will solicit the names of the paraprofessionals who are willing to take on this responsibility. Employees will be allowed to submit their name up to November 1. Once a paraprofessional agrees to this, they cannot opt out on a day when they have been asked to substitute. If due to extenuating circumstances a

paraprofessional changes their mind about being on the list, they should inform the employer immediately and then they are no longer eligible to substitute until the following year.

b. Paraprofessionals who apply to serve as a long-term substitute will be compensated at an additional \$50 per day (over their daily para compensation) for the first 19 days of the position, at which time the rate will increase to the district's long-term substitute daily rate. If the paraprofessional's hourly rate plus \$50 per day exceeds the rate of a long-term substitute, the paraprofessional will be paid the higher rate. Paraprofessionals who are hired as a long-term substitute will maintain all benefits of their paraprofessional job and will be entitled to return to a paraprofessional position within the district at the conclusion of the long-term substitute assignment.

E. On occasion the principal may require the paraprofessional to cover a classroom for a short period of time as part of their duties.

F. After arriving at school and school is canceled for any unforeseen conditions or inclement weather, all Unit Members will be dismissed after the students to assure their safety. Unit members shall be paid at their regular rate of pay with a minimum guaranteed pay of four (4) hours.

G. The first ten (10) months of continuous employment of an employee shall constitute his/her probationary period. No layoff of an employee made during his/her probationary period, and no disciplinary action, including suspension, demotion or discharge, taken against an employee during said period shall be construed as a violation of any of the provisions of this Agreement or shall be the subject of a grievance proceeding hereunder.

#### **ARTICLE 4. EVALUATION**

The parties have created and adopted an evaluation instrument. This instrument and process shall be set forth in a separate document entitled Appendix B of this contract. The parties Evaluation Committee shall meet to review and, if necessary, modify the evaluation annually. C. 1. In the event that an employee receives an overall rating of unsatisfactory in any standard area, the employee shall be placed on Track III. Employees who remain in Track III after a period of one (1) year shall be referred to the Superintendent for employment action. The Superintendent may decide to keep the employee on Track III or initiate dismissal proceedings.

2. In the event that an employee receives an overall rating of needs improvement in any standard area, the employee shall be placed on Track III for a period of one (1) year. Employees who demonstrate improvement by receiving a rating of proficient or higher in the identified area(s) shall return to Track I or II. Employees who fail to improve shall remain on Track III for an additional period of time. This additional period of time shall not exceed one (1) year. Employees who fail to demonstrate improvement after two (2) improvement attempts shall be referred to the Superintendent for employment action. With regard to courses, the Superintendent shall reimburse the employee in the amount of one-hundred (100%) percent of the tuition and book charges upon successful completion of the course. Any funds expended for Superintendent required courses shall not be deducted from funds set aside under Section B of this article. In such cases, the Superintendent shall reimburse the employee in the amount of one-hundred (100%) percent of the tuition charge and book charges upon successful completion of said workshop, conference or course. FY 25 and 26: Reimbursement will not exceed five hundred (\$500.00) dollars per first course per employee per year. Reimbursement will not exceed four hundred (\$400.00) dollars per course for any course(s) beyond a member's first course. All second courses will be reimbursed before any third courses.

C. The Superintendent may pay the reasonable expenses incurred by persons who attend workshops, seminars, conferences, or other professional improvement sessions. Such expenses shall include tuition and books incurred by participants. Prior approval must be obtained from the Superintendent.

D. 1. The employer shall prioritize training and professional development for all newly hired employees as well as employees who have transferred within the bargaining unit into a substantially different position or setting. A substantially different position shall be defined as a transfer of two grades or more and a substantially different setting shall be defined as any transfer between the following: a classroom setting, a specialist setting and/or a one-on-one position. The evaluator shall meet with new or transferred employees in both September and October to assess how the new assignment is going and what training the individual employee needs.

2. An employee may request in-district training and/or support applicable to his/her assignment at any time. No reasonable request shall be denied.

Bargaining unit members who prepare or present professional development on behalf of the district outside of their regular school hours will be compensated at their unit's top hourly step (for that fiscal year) for preparing materials and for presenting professional development. Members will only be compensated for preparation time (not for PD delivery) if the PD is offered during regular working hours. For school day presentations, 1.5 hours of preparation will be paid for every hour of presentation.

A form will be sent to members each fall asking them to indicate interest in providing professional development over the course of the school year. Indicating interest will not

guarantee that the member will be asked to provide PD, nor will it commit any member to offer PD. If a member would like to change their PD status (from what they indicated in the fall), they can do so by contacting their building principal.

## **ARTICLE 6. PARAPROFESSIONAL ASSIGNMENTS**

A. Paraprofessionals who desire a change in assignment or school shall file a written statement of such desire with the Superintendent not later than May 1. As soon as practical and not normally later than the close of school, the Superintendent shall notify said employee of the disposition of the request. In the event that a paraprofessional is reassigned after May 1 the paraprofessional may file a written statement on or before the last day of the school year if they desire a change in assignment or school.

1. Changes to job assignment shall be defined as:
  - Change within grade
  - Change between grade
  - Change between schools
2. The employer shall provide a Master List to the Union on or before the last day of school that details all of the changes in assignment for paraprofessionals. The employer will update the list with any changes over the summer and shall provide the updated list to the Union.
3. The employer shall ensure that the employee's skills are being utilized to best serve the needs of the students. Some of the reasons that might necessitate a change in assignment for a paraprofessional include the following:
  - The school budget
  - Student movement in or out of the District
  - A shift in teacher assignment(s)
  - Retirements or other vacancies and
  - Other conditions that may arise

B. The Superintendent will use reasonable efforts to notify employees of changes in job assignments in a timely manner. The notification will be given on or before May 15. In the event that changes in assignment are necessitated by conditions arising after May 15 or during the summer, notice of each change will be mailed as soon as practical to the employee's permanent home address; all mailing will occur on the same day. In the event that notification(s) are issued while school is in session all affected employees will be notified on the same day. Transfers or reassignment notification, including the reason for the move, will be shared with the member verbally by the Superintendent or their designee prior to receiving written notification of a transfer or reassignment.

C. If a member of this collective bargaining agreement is hired for a temporary position within the Plainville Public Schools and the employee returns to his/her original position at the conclusion of the temporary assignment, he/she shall receive seniority credit for that assignment.

Such notice shall include a description of the position and its rate of pay.

B. If a vacancy occurs or a new position is created during the summer vacation, notification will be posted in or outside the office of the Superintendent of Schools, and in addition, a copy will be sent to the President of the Association and to all members of the bargaining unit via their school email address.

C. Consideration will be given to current members of the unit who have applied for any vacant or newly created positions. Unsuccessful candidates will be given notice when positions are filled. The Committee/Superintendent retains the exclusive right to determine and select the candidate who, in their opinion, is the most qualified applicant for the position, regardless of whether the candidate is a member of the bargaining unit or not.

D. All Education Support Professional enrichment and summer positions shall be posted in advance of filling positions. Current Education Support Professional staff who apply shall be appointed to open positions. Unfilled positions may then be filled by others.

**All ESPs will be paid at the hourly rate for their assigned unit for enrichment and summer positions in the following manner:**

Step 3: FY24 and FY25

Step 4: FY26

The Superintendent retains the exclusive right to determine and select the candidate who, in his/her opinion, is the most qualified applicant for the position.

E. All requests shall be acknowledged by a date stamped copy of the application by the Superintendent's office.

## **ARTICLE 8. MATERNITY LEAVE**

A. Employees shall be entitled to an unpaid leave of absence for purposes of maternity leave of up to but not more than twelve (12) weeks. Time available for maternity leave pursuant to

statute, including Mass. Gen. L. Ch. 149, S105D and the Family Medical Leave Act (FMLA), shall be included within the unpaid leave of absence for purposes of maternity leave and under no circumstances shall they extend the time available to an employee. Employees may utilize accrued sick leave during the period of the leave. The Association acknowledges that the Association and the Committee are subject to the provisions of the FMLA and that the FMLA shall not increase or decrease the length of leave available to eligible employees under this section. This section shall not be subject to the parties' grievance and arbitration procedure.

Maternity leave shall also be granted for adoptive parents.

### **ARTICLE 9. SICK LEAVE**

A. Sick Leave with pay shall be granted in accordance with the provisions of this Article to each employee when the employee:

1. Is incapacitated for the performance of his/her duties by illness or injury.
2. Would jeopardize the health of others by his/her presence on duty because of exposure to a contagious disease.
3. a. Is required to give bedside or household attention to his/her spouse, child, parent, sibling, or other member of his/her immediate household who is seriously ill. The sick leave, which is granted in these cases, shall not exceed a maximum of fifteen (15) days in a school year.
- b. In the event that additional days, beyond the maximum of fifteen (15) days in a school year, are needed, the employee may submit a written request to the Superintendent for consideration. The decision of the Superintendent shall be final and at no time shall be construed as a violation of any of the provisions of this Agreement or shall be the subject of a grievance proceeding hereunder.
- c. It is understood that these days are part of the employee's regular, accumulated sick leave.

- B.

C. Where an employee is absent for five (5) or more school days, the principal or Superintendent retains the right to require that the employee provide a satisfactory doctor's note

stating that the employee is fit to return to work before the employee may return to work. At the principal or Superintendent's discretion, the failure to produce such evidence within three days of the request may result in the denial of sick leave for the period of absence and may be grounds for discipline up to and including dismissal.

D. The Association acknowledges that the Association and the Committee are subject to the provisions of the Family Medical Leave Act ("FMLA"). The FMLA shall not increase or decrease the length of leave available to eligible employees under this Agreement. Where an employee takes leave under one of the aforementioned Articles for a reason which would entitle an employee to leave under the FMLA, such leave will also be considered FMLA leave and will be deducted from the employee's statutory FMLA leave entitlement. FMLA leave is not cumulative and is not in addition to leaves currently available to the extent such leaves are for reasons covered by the FMLA.

E. Sick Leave Bank

- 1) Effective July 1, 2004, a Sick Leave Bank was established for use by members whose sick leave accumulations have been exhausted through prolonged illness and who require additional leave to make full recovery from an extended illness.
- 2) On July 1, 2004 the School Committee made an initial deposit of thirty (30) sick days to the Sick Leave Bank with an additional deposit of five (5) days on July 1, 2005. The members of the bargaining unit made an initial deposit of two (2) sick days each from accumulated sick leave on July 1, 2004 with an additional deposit of two (2) sick days on July 1, 2005 and another deposit of one (1) sick day on July 1, 2006. If at any time the Sick Leave Bank falls below forty-one (41) days, the bargaining unit members will each deposit one (1) day in the Sick Leave Bank at that time. If at the beginning of a school year the Sick Leave Bank falls below sixty-one (61) days, one (1) day will be deducted from each member of the unit on September 1st of that school year.
- 3) The Sick Leave Bank shall be administered by a Sick Leave Bank Committee consisting of three (3) members. They are the Superintendent of Schools, a member of the bargaining unit designated by the bargaining unit, and a member of the School Committee.
- 4) Application for benefits shall be made in writing to the Sick Leave Bank Committee through the Superintendent's office accompanied by a doctor's certificate as to the need for recovery time for the illness. This certificate shall provide a diagnosis and estimated recovery time. To facilitate its decision-making process in deciding whether to grant sick leave days beyond the initial twenty (20) day period, the Sick Leave Bank Committee may require that a member be examined by a physician selected by the Sick Leave Bank Committee. The School Committee shall assume the costs of such an examination.
- 5) The initial grant of sick leave by the Sick Leave Bank Committee to an eligible employee shall not exceed twenty (20) days. Upon completion of the twenty (20) day period, additional entitlement may be extended by the Sick Leave Bank Committee upon demonstration of need by the applicant. Bargaining unit members shall not become eligible

for more than an initial grant of twenty (20) days in any school year until the September 1<sup>st</sup> following the completion of two (2) consecutive years of employment.

- 6) The decision of the Sick Leave Bank Committee with respect to eligibility and entitlement shall be final and binding and not subject to appeal, or to the grievance and arbitration process.

Application for personal leave will be made in writing at least forty-eight (48) hours before taking such leave and must be approved by the Superintendent. Personal days might not be granted on the days before or after a vacation period. All requests for a personal day shall be submitted on a form agreed to by the Committee and the Association. 3. If at the end of fifteen (15) workdays next following the occurrence of any grievance or the date of its first knowledge by any employee affected by it, said grievance has not been presented at Level 1, the grievance shall be deemed waived; and any grievance in course under such procedure shall also be deemed waived if the action required to present it to the next level in the procedure shall not have been taken within the time specified in this procedure.

C. The purpose of Grievance Procedure is to produce prompt and equitable solutions to those problems, which from time to time may arise.
